

CIS RECEIVES \$3,005 FROM SAMMY'S WOODFIRED PIZZA

On December 9, 2000, Sammy's Woodfired Pizza on Mill Avenue held a special charity night and donated 100% of the cost of all meals to Tempe/Kyrene Communities In Schools (CIS). The company has a reputation as a devoted supporter of schools and literacy campaigns. Sammy's also had a special Pizza and "Messy" Sundae Party for some children attending Scales Professional Development School (pictured to the right). Scales is one of eight schools partnering with CIS to identify the needs of the children and locate existing community resources to help address those needs. Programs are targeted at the schools with the most economically disadvantaged

student populations. Examples of some of the programs currently sponsored by CIS are: counseling, parent liaisons, early literacy, health and wellness services, cultural diversity training for students and pre-school readiness. Mayor Neil Giuliano and CIS Director Lynette Stonefeld graciously accepted \$3,005 donation from Sammy's General Manager, Tony Novak, on January 22, 2001 (pictured to the left). Tempe Community Council and CIS would like to thank the staff at Sammy's, Margo Media, and all the individuals who attended for a wonderfully delicious charity event! Sammy's has something on their menu for everyone and has been named 'Best Pizza' by The Phoenix New Times for the past two years.
